Water, sewer and electricity are limited. Please understand that all hookups have to be shared. Please plan accordingly. **Due to electrical problems outside lights and appliances will be prohibited. Only factory installed air conditioners will be allowed.**

The Jackson County Junior Fair will not be held responsible for any electrical repairs or damages to campers while on the campground.

Everyone must have season passes or they must purchase season passes when they park their campers.

Please, only one car at each campsite.

No exhibitors are permitted to stay in a camper overnight without parental supervision.
